With all the new fantastic changes taking place we have decided to change the names of our salons – Options Salons now becomes **Aspire!**

L’Oreal training

On Friday 24 October the hairdressing teams from Salisbury, Chippenham and Trowbridge travelled to Hammersmith to carry out product training with L’Oreal. We shall be using L’Oreal products in all of our College’s commercial salons as we have decided to use them as our main supplier. It was a very inspirational day and we look forward to working closely with L’Oreal in the future.

- **New Salon for Salisbury!**
- The Salisbury campus is under construction and the project of having a New Salon is currently under way. The Salon is due to open to the public during January 2009. The New Salon will be located in Avon block on the 3rd floor, just a short distance away from our existing salon.
- **Salon International**
- Staff and Students from Chippenham, Salisbury and Trowbridge campuses travelled to the Excel Centre in London to Salon International 2008. All had a wonderful day and were truly inspired by big industry names such as Patrick Cameron and Errol Douglas.

Charity promotional events

● On Wednesday **26 November** our Level 3 advanced apprentices at Wiltshire College Chippenham are hosting a charity 'Champagne and Chocolate' evening in support of **Wiltshire Air Ambulance** between 4.00 and 9.30pm.

This event would be of considerable use to any of the 1st year apprentices as it would give them the opportunity to cover their promotional unit.

We look forward to seeing as many of you as possible.

● On Thursday **27 November** from 5.00pm until 9.00pm the Hair and Beauty department at Wiltshire College Trowbridge are holding a charity promotional event in aid of **Dorothy House**, which I am sure touches all our hearts.

We are really excited about this event as we have worked hard involving level 2 and level 3 students from both hair and beauty, which I am sure you can appreciate has involved a lot of effort and organising from both staff and students.

Students will be working together offering services and treatments at reduced prices. Refreshments will be available, with raffles for under-18s and over-18s.

We are really hoping for a lot of support to raise awareness of our students work and talent as well as working for a good cause and helping Dorothy House.

Employers' evening

Wiltshire College Chippenham are holding an Employers' Cream Teas afternoon on Monday 1 December from 4.00-6.00 p.m in the Tynings restaurant. During the afternoon we will cover new salon changes and new products, as well as a virtual tour of our new salon.

Young Apprentices

● On Monday 3 November, the two 2nd year Young Apprentice groups from Wiltshire College Trowbridge were fortunate enough to attend a 'Look and Learn' cut and colour day in Swindon. It was staged by a company called Affinage who demonstrated 4 cut and colour techniques through the day. Tutor Julia Drewit stated 'We all enjoyed it very much and the students gained invaluable knowledge to underpin and stretch their learning'.

Open Evening at Wiltshire College Salisbury

● On Thursday 23 October Salisbury Campus held a very successful open evening. Learners on the NVQ level 2 hairdressing programme were in good attendance during the evening and tutors were delighted by the professionalism they displayed during the event.

Trowbridge Cake Sale a success!

● Hairdressing tutor Diane Stevens would like to congratulate Amber Scott-Simpson, Rebecca Degville, Kayleigh Sawyer and Stephanie Green for their efforts in raising £40 for Diabetes UK. They had a cake baking session and sold the cakes during their Stop the Track Week. They had a lot of fun doing this and are able to use this activity as evidence towards their IOLP (Improving own learning) course.

Barcelona Trip

This year we are fortunate to be able to offer a trip to the **Wella Global Studio** in **Barcelona**. This amazing 4-day trip in January will give level 2 and level 3 learners the opportunity to see new and exciting demonstrations from the Wella artistic design team.
